## Peace of Mind

Your wedding is one of the most important occasions of your life and photographs taken on the big day will be treasured forever. Peter Rogers Photography have been capturing that special day for happy couples for over 70 years. Whether its formally or candidly, you can be assured that we will get the right shot.

## Preview of Images

All collections are viewed on a personalised online gallery which is password protected, where you, your family and friends can view and purchase photographs.

### What's included...

- The USB, Madrid and Desiree collections include photography from arrival at the wedding venue to the commencement of the wedding breakfast.
- The Ultimate USB, Artiste and Ultima collections include photography from bridal preparations to the first dance.
- All collections include a personalised online gallery

*A wide selection of prints & enlargements are available - Please see our supplement price list*
